janne.kostamo@karttakeskus.fi

Karttakeskus is the leading Finnish GIS company as well as map publisher, retailer and distributor of both Finnish and international map products and map data. We supply traditional printed maps, travel guides, school maps, non-fiction books, map applications and other digital products. We use our up-to-date map data to produce various custom-made map products. We also are the publisher of the Finnish Nautical Charts (produced by the Finnish Transport Agency) and Finnish Aeronautical Charts (produced by Finavia). We have staff of approximately 100 experts. Karttakeskus is wholly owned by Affecto Plc, publicly listed in Helsinki, Finland.
